

Interior Design Internship

Focus Design Interiors is pleased to offer paid design internships to students enrolled in school. Internships are available in the summer, fall, and spring semesters.

What You'll Do:

- Update and maintain resource library
- Errands and general designer assistance
- Field measurements, draw plans and elevations, and assist on drawings
- Assist designers with selecting furniture and fabrics for projects
- Assist designers in selecting finishes, plumbing, and lighting for new construction projects
- Assist with creation of client presentations

What You'll Bring:

- Must be pursuing a degree in Interior Design from an accredited school
- Proficiency in Revit, Sketch Up, Adobe Photoshop, Publisher, Microsoft Word, and Excel
- Self-motivated and strong time management skills to successfully work on multiple projects

If you're interested in gaining hands-on design experience and building your portfolio while working on a collaborative team, please send your cover letter, resume, and portfolio with the subject line "Seeking Internship with Focus Design Interiors" to info@focusdesigninteriors.com.
